PLAYERS EQUIPMENT

All players are NOT required to wear a full mouth guard but we DO RECOMMEND IT. Players may also choose to wear protective eyewear. Players may choose to wear a hockey helmet with a full face shield in place of the mouth guard. The intramural staff recommends eye protection but it is not required.

NO JEWLERY IS PERMITTED AT ALL DURING INTRAMURAL ACTIVITIES EXCEPT WEDDING BANDS AND MEDICAL BRACELETS.

Wearing jewelry will result in a 2minute illegal use of equipment penalty.

All participants will be required to wear numbers on the shirts during game. Players may use markers to make number. Numbers made with tape will not be allowed. Jerseys will be available for checkout if teams do not have matching shirts.
Shoes must have non-marking soles. Hockey gloves and helmets are allowed. Shin guards are also allowed, but must be covered by a layer of clothing to prevent damage to the floor. Intramural sports will not provide gloves, helmets or shin guards. Goalies: In order to have Goal Privilege (freezing the puck without penalty), a player must have:

A. Chest protector covered by clothing.
B. Face mask or helmet.
C. Goalie Pads, provided by IM SPORTS.
D. A goalie must use a goal sick, provided by IM Sports. Goal sticks may be one piece, and do not have to have an insert shaft. No aluminum goal sticks will be allowed.
E. A goalie must use a standard baseball glove as a catching glove.
F. No blockers, goalie gloves, or traditional goalie pads are allowed. Any pads that are deemed to provide unfair advantage by the IM staff will not be allowed. All goalie equipment must be checked by intramural Staff.

Sticks: All sticks must meet IM requirements, and will be checked before each game:

A. A minimum length of 40 inches and a maximum of 48.
B. Wooden/plastic shafts only. No aluminum, fiberglass, or composite shafts will be allowed.
C. Plastic flexible blades, with no tape on the blade, must be used. The shaft of the stick should be inserted into the blade, NOT the blade into the shaft.
D. Two or more wood screws must be used to hold the blade onto the shaft. These screws should be covered by tape.
E. The only acceptable coverings for sticks are tape, paint, or design stickers provided by the stick’s manufacturer. No aluminum, fiberglass, or composite coverings will be allowed.
F. If player brings their own sticks, the Assistant Director of Wellness must check them before they can be used in a game.

PLAYERS AND SUBSTITUTIONS
Substitutions are allowed by either team on the fly, and may occur on an unlimited basis provided the player leaving the court arrives at the bench before replacement enters the court. Substitutions are at a team’s own risk at any time. The referee must also be notified of any goalkeeper changes prior to the change. Goalkeeper changes must be made during stoppages in play. If a team violates the substitution rule for putting excess number of players on a court, a two minute penalty is assessed to the offending team. (Designated team member serves the penalty). A team may pull a goalie and replace with an attacker.
TIME FACTORS
The duration of the game is three 10 minute periods. Intermissions are 2 minutes respectively. The clock will be stopped for injuries and at the discretion of the officials (clock will be stopped on all whistles in the last minute of each period).
Teams will be allowed one time-out period. Time outs will be 30 seconds in length. Time-outs must be called when there is a stoppage in play. Time-outs will not carry over into the next period. If excess time-outs are used a two minute delay of games penalty will occur and the time-out will not be granted.

OVERTIME
If a game is tied after regulation time expires during regular season play the game will end in a tie. In playoffs, a five-minute sudden death period will be played. If play continues, there will be a second sudden death followed by a shootout to determine the winner. (If co-ed, the shooters must alternate in gender.) The clock will stop when less than two minutes remain in any overtime period. Teams will switch sides after each overtime.

START OF PLAY
At the beginning of the game, sides will be decided by team status, which is decided at captains meeting. The game is started at the referee’s discretion by a face-off. Every player must be on his/her half of the court and the players not taking the face off must be by 5 ft. from the face-off circle. After a goal is scored, the puck is taken to the center of the court and play is started in the same manner as the beginning of a game. Teams shall change ends of the court at the start of each period.

PUCK IN AND OUT OF PLAY
The ball is out of play when it has completely gone into the bench area of the teams (out of bounds). The ball is in play at all other times from the start of the game to the finish, including rebounds from a goal post-or cross bar into the court. If the ball rebounds from an official when he/she is on the court, it is still in play. A ball which lodges on the top of the net will result in a face-off from the nearest face-off circle.

FACE-OFFS
A face-off will consist of one player from each team. The players’ sticks must be touching the end of the face-off circle and must be linear with the extended makers. The puck is not considered in play until it has touched the ground. Once the puck has touched the ground players may cross onto the opposing side of the floor. All players must be on their own side in a faceoff. No kneeling down on a faceoff, but can kneel down to block a shot. Players may kneel down to block a shot.

SCORING
A goal is scored when the whole of the puck has passed over the goal line, between the goal posts and under the crossbar. It is the position of the puck; not the position of the goalkeeper, that determines whether a goal is scored or not. Co-Rec: If a goal is scored by a female player it will result in two points being scores.
MERCY RULE
In the men's or women's games, if a team is ahead six goals with seven minutes remaining in the game it will be ended. In co-rec games, if a team is ahead by nine goals with seven minutes remaining it will be ended.
