

Florida Southern College Campus-Wide Network Agreement

It is understood that by setting up your computer and/or accessing the FSC network, you agree to abide by the College's computer policies.

- Outlook and Symantec Anti-Virus (downloadable from the server) are yours to use at no charge while you are a student at Florida Southern College. You are encouraged to take advantage of the site license and download the software for your use.
- Upon your separation from the College, you must either remove the software from your computer or purchase a single-user copy for your use. It is your responsibility to ensure that you have licensed copies of any software you use.
- Illegal use of software is a violation of College policy.
- There is no provision for personal home pages through Florida Southern College. Those wanting a personal home page may choose to set this up through an alternative provider.
- Use of or linkage to the College home page is not permitted without written permission of an officer of the College.
- Abuse of the college network or software will result in immediate action. This includes referral to the campus Judicial Council and Student Life and minimally, a suspension of network privileges. Abuse includes (but is not limited to):
 - Deliberate tampering in a destructive manner with College facilities or software
 - Deliberate spreading of computer viruses
 - Violation of Central Computer Lab rules
 - The internet will not be used to access subjects that are counter to the purposes of the College as outlined in the Faculty and Student Handbooks, including (but not limited to):
 - Immoral
 - Pornographic
 - Terroristic
- Students using the FSC logo template in their documents or presentation must be aware that the template is owned by and represents the College. The College does not endorse the content of the student's slide show presentations. Use of the FSC logo template must follow these guidelines:
 - Be used in good taste
 - Reflect positively on the institution

I acknowledge and agree to abide by the College's computer policies, network and Lab rules.
