Processing Information:

As of the last update of this finding aid (see date above), the newspapers included in this finding aid span the years between 1908 through January 2014. Those newspapers published during the construction of the *Child of the Sun* structures (1938-1959) which were designed by Frank Lloyd Wright have been given priority for scanning, cataloging and placement online. The newspapers published between 1933 and 1954 have been scanned and cataloged and are viewable on the McKay Archives Center website at archives.flsouthern.edu. Newspapers published after 1954 have been inventoried and boxed. The newspapers published between January 1955 and December 1979 have been scanned but are not yet cataloged and are not online.
