Master of Educational Leadership

Principal/Supervisor Interview and Input on Standards Form

Dear School Administrator,

On behalf of the School of Education at Florida Southern College, **thank you** for sharing your expertise and time in supporting this candidate in fulfilling the requirements for admission to the Master of Educational Leadership program. Admission to this program requires documentation of leadership potential. The Florida Department of Education defines leadership potential as the critical skills and dispositions that a candidate must demonstrate prior to entering the program. At a minimum, these skills and dispositions must include a relentless focus on improving student achievement in the candidate's own classroom and contributing to the demonstrable improvement in teaching effectiveness in the classrooms of colleagues. Please rate the candidate on each Florida Principal Leadership Standard, and comment on the candidate's overall leadership potential. Again, **thank you** for your partnership.

Candidate Name: _____

School Name: _____ **District:** _____

Principal/Supervisor Name: _____
