

FSCares

Being a part of the Moccasin community at Florida Southern College during this time of COVID-19 means that each of us must take extraordinary steps to stay well and protect each other.

All members of the community play a vital role in this effort, which is why each of us must commit to protecting the health and safety of the entire Moccasin community.

Despite the best efforts of the College, there is no guarantee that FSC's on-campus experience will be free of COVID-19; in fact, the College is likely to see COVID-19 cases on campus this academic year.

Students returning to campus for the Fall 2021 Semester should understand that they are assuming the risk of contracting COVID-19.

Student Pledge

I agree to follow the provisions in the FSCares Plan and understand the necessity of adhering to all of the guidelines in that document and any other policies implemented by the College to help reduce the spread of COVID-19. This includes, but is not limited to:

- Wearing masks (covering both my nose and mouth) as directed in the Fall 2021 Covid -19 Protocol.
- Practicing proper handwashing and respiratory etiquette (covering my mouth for cough/sneeze)
- Participating in the College's COVID-19 mandatory random testing, if requested
- Participating honestly and completely with Rapid Trace for contact tracing
- Following the College's policies for quarantine

I agree not to have any guests (including family members) in my residential living area other than Florida Southern students.

I agree to report items of concern regarding COVID-19 by emailing FSCares@flsouthern.edu or calling Campus Safety at 863-680-4305.

I agree that not adhering to College policies related to COVID-19 may result in my loss of residential housing and/or the ability to take in-person classes. Non-compliance may result in being removed from College-owned housing for the remainder of the semester without refund for housing or tuition.

I agree to have my classes recorded for educational purposes.

I agree that if the College is directed by a governmental agency or the Board of Trustees to transition to all remote classes, there will not be a tuition or any other associated fee refund.
