"The application was really easy, and my Admission Counselor and Academic Advisor made the process so stress free. I had always dreamed of going to FSC because my uncle graduated from there and I always admired him. FSC is the best school because the classes are smaller, and the faculty really go out of their way to help you achieve your goals. Amazon associates should definitely take advantage of this opportunity to get an education, and it's great how Amazon pays the tuition upfront."

– Jennifer D., Amazon Associate, BS in Interpersonal and Organizational Communication

AACSB Accredited Business School

A key feature of our accounting and business programs is that we are AACSB accredited, which is the highest accreditation a school of business can achieve. Only 5% of business schools worldwide achieve their endorsement. There are only 17 in Florida, and we are the only one in Polk County. AACSB holds our programs and professors to the highest standard and guarantees that employers will regard our students well.

The Barney Barnett School of Business and Free Enterprise is a state-of-the-art facility and a learning center available to our adult students. It offers a simulation trading floor and a market research lab. It is also where you will find faculty offices. Additionally, we have student break-out rooms providing a place for adult students to come and study in a quiet, non-distracting environment.
