

MUSICAL THEATRE

JUST LIKE BROADWAY, THIS MAJOR ISN'T FOR THE FAINT OF HEART. MUSICAL THEATRE MAJORS UNDERGO INTENSIVE TRAINING IN ACTING, SINGING, AND DANCING IN PREPARATION FOR PROFESSIONAL THEATRE CAREERS.

FSC's comprehensive program offers the essential blend of acting, dancing, and music courses for the student who aspires for a career in performance. Our intensive performance training balanced with challenging academics results in a well-rounded education.

GET READY TO SING AS YOU'VE NEVER SUNG BEFORE!

You'll not only take a rigorous schedule of acting and dance classes, but you'll learn current vocal techniques and styles required by the industry. You'll also further develop your ability to interpret lyrics with confidence and emotion.

READY FOR YOUR AUDITION?

Acceptance into FSC's B.F.A. in Musical Theatre requires an audition. You will be expected to perform two songs (90 seconds or 32 bars each) in contrasting styles. For details and dates, visit flsouthern.edu/auditions.

LEARN FROM AWARD-WINNING FACULTY

The industry regularly recognizes our faculty for their artistic achievements. They include a recipient of the Kennedy Center/American College Theatre Festival award and a finalist in BBC's Voice of Musical Theatre International Competition. They have also been recognized multiple times for their contributions to scenic design and theatre technology by the Orlando International Fringe Festival.

DOING IS LEARNING!

At Florida Southern, you'll go beyond the classroom and actively engage in all aspects of this competitive industry.

PERFORMANCE OPPORTUNITIES —

From your first year, you will have an opportunity to perform on stage. In fact, we present four main stage productions annually.

NYC INDUSTRY SHOWCASE —

Performing in our NYC industry showcase gives you the opportunity to network with top agents and casting directors.

MASTER CLASSES —

Broadway veteran Raymond Jaramillo McLeod and Disney Live's Entertainment casting director are just two of the many professionals who have traveled to campus to share their insights into the biz.

“ Learning about the theater can only be done by doing. It's a hands-on craft. Every opportunity is afforded to students. You can actively spend each day at Florida Southern working on your craft.”
