

FLORIDA SOUTHERN COLLEGE MASTER OF EDUCATION EDUCATIONAL LEADERSHIP

Florida Southern College's School of Education provides the skills and credentials educators need to become transformational leaders who encourage high levels of achievement for all P-12 students.

Convenient Schedule

- Scheduling is flexible and convenient for the working professional.
- The program utilizes both on-campus and online learning. Typically, one course is online and one class meets on campus on alternating Saturdays.

Program Overview

Florida Southern College's Master of Education (MEd) in Educational Leadership program is offered to educators who currently hold a Florida Professional Teaching Certificate. This program is designed for educators who wish to advance their career in P-12 administration.

Accelerated Program

The MEd in Educational Leadership program is offered in an accelerated format that will allow you to complete the program in as few as four semesters.

Small Classes

Personalized attention means your classroom education will be tailored to your needs and learning style. With dedicated faculty members and small class sizes, you can focus on the lesson and freely express your thoughts and ideas with your peers.

Academic Advisor

The moment you enroll, you'll be assigned an Academic Advisor to see you through your experience from start to finish. This advisor will help you develop an educational plan that matches your schedule and priorities.

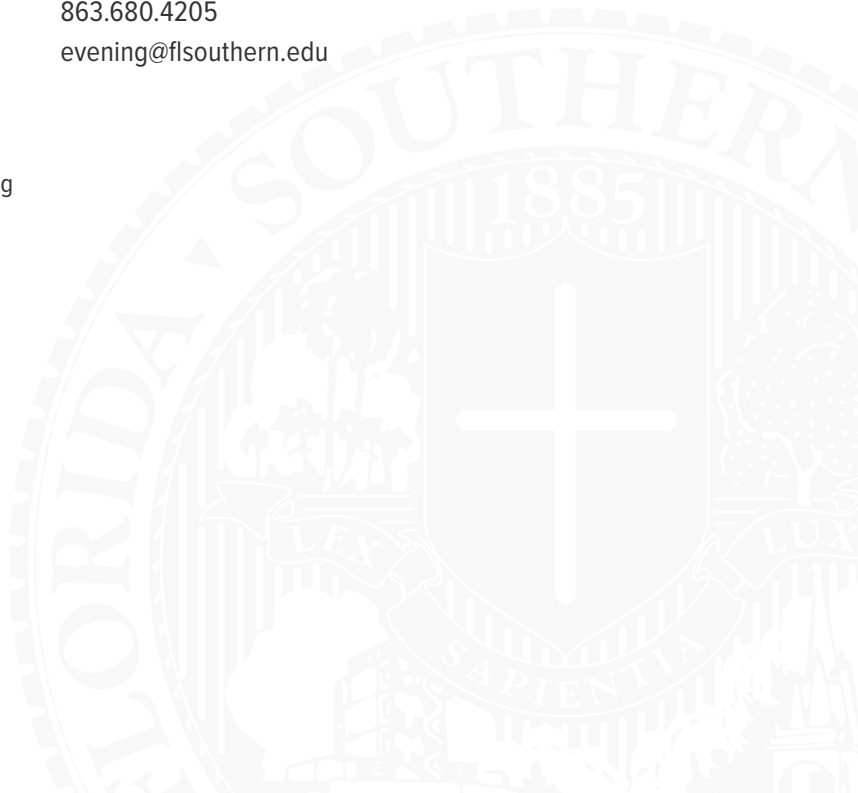

Leadership Certification

All MEd in Educational Leadership students are required to pass the Florida Educational Leadership Exam (FELE) prior to completion of the program. This program follows the strict guidelines of the Florida Department of Education.
