### General Information

- 1) All participants must be current FSC Students, Faculty or Staff
- 2) There are no restrictions as far as jewelry is concerned.

### Eligibility Requirements

**Intramurals are open to current FSC students, faculty, and staff with FSC ID.** All current full-time students, faculty and staff regularly enrolled in any department of Florida Southern College are eligible to enjoy all Intramural activities. Participants shall remain eligible until they graduate, withdraw or fail to comply with the rules of eligibility. This privilege may also be revoked/suspended by the Intramural Advisory Council or the Assistant Director for just cause at their discretion. Participation in the Intramural program is entirely voluntary and is a privilege, not a right. All full-time students (twelve or more hours per semester constitute a full-load) are eligible to enter into any intramural activities provided they do not break any other eligibility policies listed in this Article. Any part-time student is eligible to participate in Intramural activities provided he or she meets all of the following criteria:

- Is pursuing a degree during the year in which he/she is classified as a part-time student.
- Is enrolled in a departmental day course offered by the college to earn credit for graduation.
- Has paid the college activity fee.
- Received approval from the Assistant Director of Intramural Sports

For any questions regarding a varsity athlete, club athlete or professional athlete, etc. and their eligibility within the Intramural Sports program, please refer to the Intramural Sports Participant Manual. This manual can be found on the Wellness Website or on IMLeagues.

If an Intramural employee determines that an individual is attempting to check in with false identification in order to participate in an Intramural activity, the ID will be **confiscated** and that individual will not be allowed to play. If it is determined the participant used improper identification, the team will forfeit any contest the person participated in. In addition, any individual caught trying to check in with an ID card that is not his/her own has jeopardized themselves and the owner of the ID to disciplinary action by the college. Non-FSC students are not eligible to participate in the Intramural program. Any non-student found to be participating will cause the team he participated with to forfeit any contests he participated in. Additionally, the forfeited games will result in a Sportsmanship Score of zero being averaged into the team's overall Sportsmanship Rating.

### RULES

#### How It Works:

- Once the tournament begins, players will setup a SQUADS lobby and invite their opponent.
- - Matches will be Best of 2 matches, most total eliminations advance to the next round. If there is a tie, a - - 3rd match will be played. If teams are still tied after a 3rd match, the tiebreaker will be used (most eliminations in one of the three matches).
- Teamss will play as a duo in a squads match, getting as many eliminations as they can.
- Players will drop into the same match as their opponents, but they are not required to play with them. For example, you are not required to revive or respawn your opponent.

#### Hosting:

- The higher seeded player (number closest to zero), will host the first match. Host will then switch, alternating for every game played.
- Teams must host from their geographical location. Example, if you reside in North America, you cannot choose EU servers.

#### Sabotage/Grief:

- Teaming is allowed. However, players cannot directly cause the death of their opponents.
- All rulings are final and will be made at the discretion of FSC Staff.

#### Examples of sabotage include but are not limited to:

- Breaking or weakening opponent's built or non built structures or cover by any means.
- Causing opponents to miss shots or miss opportunities for advancing their scores in any way shape or form.
