Florida Southern College Intramural Volleyball Rules

General Information

- 1) All participants must have their current valid FSC ID card with them
- 2) All participants must arrive to the playing surface 15 minutes before game time.

Rosters

Adding players to rosters is allowed in all team competition. The player must bring his/her FSC ID card to the team's game to be added to the roster. The player must check in with the IM Staff and then they will be added to the roster. Players can be up to when playoffs start. Rosters are frozen after the teams last regular season game. After a player is added at the game-the following day the office will check to make sure the player is legal, if the player is found to be illegal the team will forfeit any games that the illegal player participated.

Eligibility Requirements

Intramurals are open to current FSC students, faculty, and staff with FSC ID. All current full-time students, faculty and staff regularly enrolled in any department of Florida Southern College are eligible to enjoy all Intramural activities. Participants shall remain eligible until they graduate, withdraw or fail to comply with the rules of eligibility. This privilege may also be revoked/suspended by the Intramural Advisory Council or the Assistant Director for just cause at their discretion. Participation in the Intramural program is entirely voluntary and is a privilege, not a right. All full-time students (twelve or more hours per semester constitute a full-load) are eligible to enter into any intramural activities provided they do not break any other eligibility policies listed in this Article. Any part-time student is eligible to participate in Intramural activities provided he or she meets all of the following criteria:

- Is pursuing a degree during the year in which he/she is classified as a part-time student.
- Is enrolled in a departmental day course offered by the college to earn credit for graduation.
- Has paid the college activity fee.
- Received approval from the Assistant Director of Intramural Sports

For any questions regarding a varsity athlete, club athlete or professional athlete, etc. and their eligibility within the Intramural Sports program, please refer to the Intramural Sports Participant Manual. This manual can be found on the Wellness Website or on IMLeagues.

If an Intramural employee determines that an individual is attempting to check in with false identification in order to participate in an Intramural activity, the ID will be **confiscated** and that individual will not be allowed to play. If it is determined the participant used improper identification, the team will forfeit any contest the person participated in. In addition, any individual caught trying to check in with an ID card that is not his/her own has jeopardized themselves and the owner of the ID to disciplinary action by the college. Non-FSC students are not eligible to participate in the Intramural program. Any non-student found to be participating will cause the team he participated with to forfeit any contests he participated in. Additionally, the forfeited games will result in a Sportsmanship Score of zero being averaged into the team's overall Sportsmanship Rating.

National Federation High School volleyball rules and NIRSA rules will govern all play for any rule not mentioned in the following intramural rules:

Sportsmanship

In an effort to maintain a high quality of sportsmanship in our Intramural Sports program, the following sportsmanship expectations have been adopted.

Team Sportsmanship Rating System

The development of team and individual sportsmanship is of fundamental importance in all intramural sports activities. The Sportsmanship Rating System is intended to be an objective scale by which teams' attitude and behavior can be assessed throughout the intramural sports league and playoff seasons. Behavior before, during, and after an intramural sport contest is included in the rating. The team manager is responsible for education and informing all players and spectators affiliated with his/her team about the system. To encourage acceptable conduct before, during, and after intramural sports contests, officials and/or supervisors shall make decisions whether to warn, penalize, or eject persons for poor sportsmanship.

A team is responsible for the actions of the individual team members and spectators related to it. The team captain's efforts in assisting officials/staff to calm difficult situations and to restrain troubled teammates are key to controlling team conduct.

Sportsmanship is vital to the conduct of every Intramural contest. In order to encourage proper conduct during games, officials, administrative personnel, and supervisors shall make decisions on whether to warn, penalize or eject players or teams for poor sportsmanship. These decisions are final. The Intramural Sports administrative staff will rule on further penalties as a result of unsportsmanlike conduct.

Each participant should choose his or her team members carefully, as all team members will suffer the consequences of any disciplinary action taken by the Intramural Sports.

Rating Method

Each team in each contest shall be rated by the officials. The authority of the officials' ratings exists prior to, during, and following all contests to which that official is assigned, and extends to all persons on, at, or near the playing site. Sportsmanship ratings shall be marked on the scoresheet.

In all cases, IM supervisors and the Intramural Sports administrative staff may provide input which may raise or lower the rating. Supervisors may amend any rating for inappropriate conduct by a team or its spectators before, during, or after a contest. Intramural Sports administrative staff members may amend a rating at any time for inappropriate conduct, use of an ineligible player, use of a suspended player, and/or inaccuracy in reporting.

Rating Factors

The following actions and behaviors by team members, spectators, and/or team followers can have a **positive** effect on a team's sportsmanship rating:

- a) Team members cooperate with and demonstrate good sportsmanship toward members of both teams, spectators, officials, and all other IM staff.
- b) Team captain exhibits control over his/her team and spectators, converses reasonably and rationally with officials about rule interpretations/calls, and cooperates by providing any information requested by an IM official/staff.
- c) Team members participate in the spirit and intent of the intramural sport game rules and/or program policies. Team members accept judgment decisions made by the officials during the contest
- d) Respect is shown for FSC Wellness staff, facilities and equipment.

The following actions and behaviors by team members, spectators, and/or team followers can have a **negative** effect on a team's sportsmanship rating:

- a) Participants / spectators who continually complain about officials' decisions and display dissension which may include derogatory or abusive remarks. Complaints include both verbal and nonverbal behavior. Excessive arguing between opposing teams / spectators might also lead to a lower rating.
- b) Team captain (spokesperson) exhibits little control over his/her team and spectators, converses in a dissenting manner with officials about rule interpretations/calls (discussion is allowed as long as it is done in a mature manner by the team captain), or does not cooperate with game officials or IM staff. Does not provide information requested by any intramural sports official/staff while performing duties.
- c) Having any technical fouls or penalties for unsportsmanlike conduct or having a player ejected for unsportsmanlike conduct.
- d) Taunting an opponent or opposing team spectator (trash talk).
- e) Public indecency, vulgarity, or obscenity including foul or profane language and obscene gestures, incidental or intentional, non-directed or directed at an opponent, official, teammate, supervisor, spectator, or Intramural Sports staff member.
- f) Physical abuse by participants / spectators in the form of fighting with an opponent, teammate, official, or staff member which occurred before, during, or after an Intramural Sports contest.
- g) Any threatening behavior (verbal and/or nonverbal) to any FSC Intramural Sports or Wellness center employee, participant, or spectator which occurred before, during, or after an Intramural Sports contest.
- h) Individuals / teams played after the consumption of alcohol / drugs. If the contest has begun when this is discovered, the player(s) will be immediately removed from the facility, and the contest will be forfeited to the opponent.
- i) Damage to or destruction of any FSC or FSC Wellness center facilities

Rating Scale

Team sportsmanship is graded following each contest according to the following scale and criteria:

4 points (Normal Game): Excellent Sportsmanship

Players cooperate fully with the officials about rule interpretations and calls. The captain also has full control of his/her teammates. Team members and spectators were respectful of opponents and officials and encouraged each others efforts. At no time was this team disrespectful towards participants or officials.

3 points (Some Static): Acceptable Sportsmanship

Team members and spectators are respectful of opponents and officials except for one or two minor incidents which may or may not merit a warning from the game officials or supervisor.

2 points (Difficulty): Sportsmanship Needs Improvement

Team members or spectators are disrespectful of opponents or officials on a number of occasions which may or may not warrant a penalty. Captain exhibits minor control over his/herself and his/her teammates and spectators. Teams receiving multiple warnings or having a player ejected for an unsportsmanlike act should receive no higher than a "2" rating.

1 point (Harassment, Ejections): Unacceptable Sportsmanship

Teams constantly comment to the officials and/or opposing teams from the field and/or sidelines. The team captain exhibits little or no control over teammates or himself/herself. Majority of individuals on this team are disrespectful of opponents or officials on a regular basis. Teams which receive a second unacceptable rating ("1") in the same sport or activity are subject to immediate dismissal from league or tournament play.

0 points: Season Ending Rating

The following actions can result in an "F" sportsmanship rating:

Team is completely uncooperative and out of control before, during, or after intramural sports contest(s).

Team captain (spokesperson) exhibits poor control over self, the team, and/or the spectators.

Multiple ejections or blatant unsportsmanlike conduct that endangered participants, fans, officials, or supervisors.

Team fails to cooperate / comply with intramural sports administrative staff / college officials while performing their duties; falsely represents or withholds any requested information.

Teams which receive a "0" rating are subject to immediate dismissal from league or tournament play.

Team Sportsmanship & Playoff Eligibility

A team must have a "2.75" average or better sportsmanship rating during regular season league games to be eligible for the playoffs. The average sportsmanship rating will be calculated similar to the grade point / game ratio.
Playoff Tournament Sportsmanship

A team must maintain a "3" average or better sportsmanship rating during the playoffs.

Any team which receives an "0" sportsmanship rating during the playoffs will be immediately dismissed from further tournament play and subject to further disciplinary action (if necessary).

A losing team which receives a "1" or "0" sportsmanship rating in their final playoff game, is subject to further disciplinary action as a team in subsequent sports, as individuals when appropriate, or to the team captain.
