

THEATRE ARTS

WE SEEK STUDENTS WHO WANT TO BUILD FULFILLING, CREATIVE CAREERS IN FIELDS RANGING FROM ACTING, DIRECTING, AND THEATRE PRODUCTION TO ACADEMIA, ADVERTISING, FILM, AND TELEVISION.

We believe in fully developing our students as artists. Our **B.A. in Theatre Arts** will expose you to all areas of theatre, including performance (acting, dance, singing), design (scenic, lighting, makeup & costume), directing, history, and literature.

WHAT WILL I STUDY?

Like your performance focused counterparts, you'll gain a comprehensive understanding of theatre while also perfecting your performance skills. However, choosing to complete a B.A. allows you to take more liberal arts courses (general studies such as literature, history, etc.). This makes the B.A. program particularly appealing to students who have broad interests and talents and might wish to pursue a double major.

PRESCREEN ENCOURAGED!

Though it's not required, we strongly encourage B.A. candidates to submit a prescreen. Once submitted, you'll be invited to audition for a talent-based scholarship. For dates and details, visit flsouthern.edu/theatre-auditions.

WHERE WILL THIS DEGREE TAKE ME?

Our curriculum combines a strong theoretical foundation with immersion into experience-gaining learning opportunities, preparing you for a successful career in a broad range of fields in and out of the theatre and entertainment industry.

We provide practical experiences that encourage you to engage with the entertainment industry.

HANDS-ON EXPERIENCE

Our Theatre and Dance Department presents four main stage productions each year, including two musicals and a second stage lab production providing a plethora of opportunities to get involved in all aspects of production.

PERSONAL GUIDANCE

EXPOSURE TO THE ARTS
