“

I was selected by Career Services for their elite Summer internship program to shadow surgeons with JIS (Joint Implant Surgeons) Orthopedics in Ohio. I got to observe surgeries involving joint replacements and revisions. The types of surgeries included the hips, shoulders, knees, spine, hands, wrists, and elbows”

A LEG UP

EXPERIENTIAL LEARNING

THE POWER OF INTERSHIPS

A killer cover letter, a stellar grade point average, and glowing recommendations will only take a college graduate so far. Employers care about experience. Our focus on connecting every student with an internship ensures they stand out in the job market.

“

I am using my skills taught at FSC and Career Services to develop more interpersonal skills each day. My biggest takeaway from this internship was building relationships with those around you. My current job is with Auto-Owners Insurance where I am working as a Claims Adjuster and help people through stressful times in their life.”
